DIRECT PURCHASER CLASS ACTIONS

**~~[PROPOSED]~~ ORDER GRANTING CLASS  
CERTIFICATION AND PRELIMINARY  
APPROVAL OF CLASS ACTION  
SETTLEMENT WITH THE HITACHI  
DEFENDANTS**

1           On December 6, 2013, Plaintiffs filed a Motion for Preliminary Approval of Class Action  
2 Settlement with Hitachi, Ltd., Hitachi Displays, Ltd. (n/k/a Japan Display Inc.), Hitachi America,  
3 Ltd., Hitachi Asia, Ltd., and Hitachi Electronic Devices (USA) Inc. (collectively “Hitachi”). The  
4 Court, having reviewed the motion, the settlement agreement, the pleadings and other papers on file in  
5 this action, and the statements of counsel and the parties, hereby finds that the motion should be  
6 GRANTED.

7           NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

8           1.       For purposes of this Order, except as otherwise set forth herein, the Court adopts and  
9 incorporates the definitions contained in the settlement agreement between Plaintiffs and Hitachi  
10 dated, November 29, 2013 (“Settlement Agreement”).

11           2.       The Court hereby gives its preliminary approval to the Settlement Agreement, subject  
12 to a hearing on the final approval of the Settlement Agreement (the “Fairness Hearing”).

13           3.       The Court finds that the settlement falls within the range of possible final approval and  
14 that there is a sufficient basis for notifying the class of the proposed settlement and for setting a  
15 Fairness Hearing.

16           4.       Pursuant to Federal Rule of Civil Procedure 23, the Court provisionally certifies the  
17 following Settlement Class for settlement purposes only:

18                   All persons and entities who, between March 1, 1995 and November 25,  
19                   2007, directly purchased a CRT Product in the United States from any  
20                   defendant or any subsidiary or affiliate thereof, or any co-conspirator.  
21                   Excluded from the Class are defendants, their parent companies,  
22                   subsidiaries and affiliates, any co-conspirators, all governmental entities,  
23                   and any judges or justices assigned to hear any aspect of this action.

24           5.       CRT Products refers to all forms of Cathode Ray Tubes (CRTs), as well as electronic  
25 devices that contain CRTs. It includes color picture tubes (CPTs), color display tubes (CDTs),  
26 monochrome display tubes, and the finished products that contain CPTs and CDTs – televisions and  
27 monitors. The Settlement Class definition as set forth above and as used in this order is for settlement  
28 purposes only. It has no binding effect on the Court or on the Non-Settling Defendants for any other  
purpose.

1           6.       The Court further provisionally finds that the prerequisites to a class action under Rule  
2 23 are satisfied for settlement purposes in that: (a) there are hundreds of geographically dispersed  
3 class members, making joinder of all members impracticable; (b) there are questions of law and fact  
4 common to the class which predominate over individual issues; (c) the claims or defenses of the class  
5 plaintiffs are typical of the claims or defenses of the class; (d) the plaintiffs will fairly and adequately  
6 protect the interests of the class, and have retained counsel experienced in antitrust class action  
7 litigation who have, and will continue to, adequately represent the class; and (e) a class action is  
8 superior to individual actions. Settling defendants will not be bound by the Settlement Class  
9 definition for any purpose other than this specific settlement with the direct purchaser class.

10           7.       The Court hereby appoints the Plaintiffs named in the Consolidated Amended  
11 Complaint, filed March 16, 2009, as Representative Plaintiffs of the Settlement Class.

12           8.       The court appoints the law firm of Saveri & Saveri, Inc. to serve as Class Counsel for  
13 the Settlement Class.

14           9.       The Court approves the form of the long form notice attached hereto as Exhibit A  
15 (“Long Form Notice”). The Court also approves the form of the summary notice attached hereto as  
16 Exhibit B (“Summary Notice”). The Court finds that taken together, mailing of the Long Form Notice  
17 (U.S. Mail or electronic mail), publication of the Summary Notice, and internet posting of the Long  
18 Form Notice are: (i) the best notice practicable; (ii) reasonably calculated, under the circumstances, to  
19 apprise the Settlement Class members of the proposed settlement and of their right to object or to  
20 exclude themselves as provided in the Settlement Agreement; (iii) reasonable and constitute due,  
21 adequate, and sufficient notice to all persons entitled to receive notice; and (iv) meet all applicable  
22 requirements of due process and any other applicable requirements under federal law.

23           10.      Plaintiffs’ claims administrator shall provide notice of the settlement to Settlement  
24 Class members. The claims administrator shall provide direct notice of the settlement to all members  
25 of the Settlement Class on or before a date set 14 days from the entry of this Order. Such notice shall  
26 be sent either by first class U.S. mail postage prepaid or by electronic mail. The claims administrator  
27 shall publish the Summary Notice in the national edition of the *Wall Street Journal* on or before a date  
28

1 set 18 days from the entry of this Order. The Claims Administrator shall also cause a copy of the class  
2 notices and Settlement Agreement to be posted on the internet website  
3 www.CRTDirectPurchaserAntitrustSettlement.com.

4 11. Each Settlement Class member shall have the right to be excluded from the Settlement  
5 Class by mailing a request for exclusion to the claims administrator no later than a date set, at least  
6 forty-five (45) days after mailing of the direct notice. Requests for exclusion must be in writing and  
7 set forth the name and address of the person or entity who wishes to be excluded, as well as all trade  
8 names or business names and addresses used by such person or entity, and must be signed by the  
9 Settlement Class member seeking exclusion. No later than fourteen (14) days after the date set for  
10 exclusions, Class Counsel shall file with the Court a list of all persons or entities who have timely  
11 requested exclusion from the Settlement Class as provided in the Settlement Agreement. Settling  
12 Defendants retain all of their legal rights to assert any defense, including lack of federal antitrust  
13 standing, against any opt out plaintiff or other person not participating in the settlement.

14 12. Any Settlement Class member who does not properly and timely request exclusion  
15 from the Settlement Class as provided above shall, upon final approval of the settlement, be bound by  
16 the terms and provisions of the Settlement so approved, including but not limited to the releases,  
17 waivers, and covenants described in the agreement, whether or not such person or entity objected to  
18 the settlement agreement and whether or not such person or entity makes a claim upon the settlement  
19 funds.

20 13. Each Settlement Class member who has not timely excluded itself from the settlement  
21 shall have the right to object to (1) the settlement, and/or (2) the plan of allocation by filing written  
22 objections with the Court no later than a date set at least forty-five (45) days after mailing direct  
23 notice, copies of which shall be served on all counsel listed in the class notice. Failure to timely file  
24 and serve written objections will preclude a class member from objecting to the settlement.

25 14. Each class member as provided above shall have the right to appear at the Fairness  
26 Hearing by filing a Notice of Intention to Appear no later than a date set at least forty-five (45) days  
27 after mailing direct notice, copies of which shall be served on all counsel listed in the class notice.  
28

U.S. District Court for the Northern District of California,  
450 Golden Gate Ave., Courtroom 1, San Francisco, CA  
94102.

1           15. The Court will conduct a Fairness Hearing on a date set at least 120 days from the  
2 entry of this Order at           . The Fairness Hearing will be conducted to determine the following:

- 3           a. Whether the proposed settlement is fair, reasonable, and adequate and should
- 4           be granted final approval;
- 5           b. Whether final judgment should be entered dismissing the claims of the class
- 6           against Hitachi;
- 7           c. Approval of the plan of allocation;
- 8           e. Such other matters as the Court may deem appropriate.

9           16. Each member of the Settlement Class shall retain all rights and causes of action with  
10 respect to claims against all Defendants other than Hitachi and the entities defined as “Hitachi  
11 Releasees” in the Settlement Agreement, regardless of whether such member of the Settlement Class  
12 decides to remain in the Settlement Class or to exclude itself from the Settlement Class.

## BASIC INFORMATION

### 1. Why did I get this notice?

You or your company may have directly purchased Cathode Ray Tubes (CRTs) or certain products containing those tubes between March 1, 1995 and November 25, 2007. A direct purchaser is a person or business who bought a CRT, or a television or computer monitor containing a CRT directly from one or more of the Defendants, co-conspirators, affiliates, or subsidiaries themselves, as opposed to an intermediary (such as a retail store).

You have the right to know about the litigation and about your legal rights and options before the Court decides whether to approve the Settlement.

The notice explains the litigation, the settlement, and your legal rights.

The Court in charge of the case is the United States District Court for the Northern District of California, and the case is called *In re Cathode Ray Tube (CRT) Antitrust Litigation*, MDL No. 1917. The people who sued are called Plaintiffs and the companies they sued are called Defendants.

### 2. Who are the Defendant companies?

### **3. What is this lawsuit about?**

The lawsuit alleges that Defendants and co-conspirators conspired to raise and fix the prices of CRTs and the CRTs contained in certain finished products for over ten years, resulting in overcharges to direct purchasers of those CRTs and certain finished products containing CRTs. The complaint describes how the Defendants and co-conspirators allegedly violated the U.S. antitrust laws by establishing a global cartel that set artificially high prices for, and restricted the supply of CRTs and the televisions and monitors that contained them. Defendants deny Plaintiffs' allegations. The Court has not decided who is right.

### **4. Why is there a Settlement but the litigation is continuing?**

Only some of the Defendants have agreed to settle the lawsuit. This notice concerns a settlement with Hitachi, Ltd., Hitachi Displays, Ltd. (n/k/a Japan Display Inc.), Hitachi America, Ltd., Hitachi Asia, Ltd., and Hitachi Electronic Devices (USA) Inc. Plaintiffs have also reached five previous settlements with Chunghwa Picture Tubes Ltd., and Chunghwa Picture Tubes (Malaysia) Sdn. Bhd.; Koninklijke Philips Electronics N.V., Philips Electronics North America Corporation, Philips Electronics Industries (Taiwan), Ltd., and Philips da Amazonia Industria Electronica Ltda.; Panasonic Corporation (f/k/a Matsushita Electric Industrial, Ltd.), Panasonic Corporation of North America, and MT Picture Display Co., Ltd. (this settlement also releases LP Displays International, Ltd. f/k/a LG.Philips Displays.); and Toshiba Corporation, Toshiba America Information Systems, Inc., Toshiba America Consumer Products, L.L.C., and Toshiba America Electronic Components, Inc. The five previous settlements have been finally approved by the Court. The case is continuing against the remaining Non-Settling Defendants. Additional money may become available in the future as a result of a trial or future settlements, but there is no guarantee that this will happen.

### **5. What is a Cathode Ray Tube Product?**

For the purposes of the Settlement, Cathode Ray Tube Products means Cathode Ray Tubes of any type (e.g. color display tubes and color picture tubes) and finished products which contain Cathode Ray Tubes, such as Televisions and Computer Monitors.

### **6. What is a class action?**

In a class action, one or more people, called class representatives, sue on behalf of people who have similar claims. All these people are members of the class, except for those who exclude themselves from the class.

If the Plaintiffs obtain money or benefits as a result of a trial or future settlement, you will be notified about those settlements, if any, at that time. ## THE SETTLEMENT CLASS

### 7. How do I know if I'm part of the Settlement Class?

The Settlement Class includes:

All persons and entities who, between March 1, 1995 and November 25, 2007, directly purchased a CRT Product in the United States from any defendant or subsidiary or affiliate thereof, or any co-conspirator. ("Settlement Class").

### 8. What does the Settlement provide?

This Settlement provides for a payment in the amount of \$13,450,000 in cash to the Settlement Class. The Settling Defendants also agreed to cooperate with the Plaintiffs in providing certain information about the allegations in the complaint. In addition, the Settling Defendants' sales remain in the case for the purpose of computing damages against the remaining non-settling Defendants.

More details are in the Settlement Agreement, available at  
**[www.CRTDirectPurchaserAntitrustSettlement.com](http://www.CRTDirectPurchaserAntitrustSettlement.com)**.

### 9. When can I get a payment?

No money will be distributed to any Class Member yet. The lawyers will pursue the lawsuit against the Non-Settling Defendants to see if any future settlements or judgments can be obtained in the case and then be distributed together, to reduce expenses.

Any future distribution of the Settlement Funds will be done on a *pro rata* basis. You will be notified in the future when and where to send a claim form. **DO NOT SEND ANY CLAIMS NOW.**

In the future, each class member's *pro rata* share of the Settlement Fund will be determined by computing each valid claimant's total CRT Product purchases divided by the total valid CRT Product purchases claimed. This percentage is multiplied to the Net Settlement Fund (total settlements minus all costs, attorneys' fees, and expenses) to determine each claimant's *pro rata* share of the Settlement Fund. To determine your CRT Product purchases, CRT tubes (CPTs and CDTs) are calculated at full value while CRT televisions are valued at 50% and CRT computer monitors are valued at 75%.

In summary, all valid claimants will share in the settlement funds on a *pro rata* basis determined by the CRT value of the product you purchased - tubes 100%, monitors 75% and televisions 50%.

The Court has appointed the law firm of Saveri & Saveri, Inc. to represent Direct Purchaser Class members as Interim Lead Class Counsel. At the Fairness Hearing, the Court will consider whether the Settlement is fair, reasonable and adequate. If there are objections or comments, the Court will consider them at that time. You may appear at the hearing, but don’t have to. We do not know how long these decisions will take. Please do not contact the Court about this case.
