

**If You Bought A Cathode Ray Tube Product,
A Class Action Settlement May Affect You.**

Cathode Ray Tube (CRT) Products include Cathode Ray Tubes and finished products that contain a Cathode Ray Tube such as Televisions and Computer Monitors

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

- A class action lawsuit brought on behalf of direct purchasers of CRT Products is currently pending.
- Plaintiffs claim that Defendants (listed below) and co-conspirators engaged in an unlawful conspiracy to fix, raise, maintain or stabilize the prices of cathode ray tubes. Plaintiffs further claim that direct purchasers from the Defendants of televisions and monitors containing cathode ray tubes may recover for the effect that the cathode ray tube conspiracy had on the prices of televisions and monitors. Plaintiffs allege that, as a result of the unlawful conspiracy involving cathode ray tubes, they and other direct purchasers paid more for CRT Products than they would have paid absent the conspiracy. Defendants deny Plaintiffs' claims.
- Settlements have been reached with (1) Chunghwa Picture Tubes, Ltd. and Chunghwa Picture Tubes (Malaysia) Sdn. Bhd. (collectively "CPT"), and (2) Koninklijke Philips Electronics N.V., Philips Electronics North America Corporation, Philips Electronics Industries (Taiwan), Ltd., and Philips Da Amazonia Industria Electronica Ltda. (collectively, "Philips"). The companies are together referred to as the "Settling Defendants."
- Your legal rights will be affected whether you act or don't act. This Notice includes information on the Settlements and the continuing lawsuit. Please read the entire Notice carefully.

These Rights and Options – and deadlines to exercise them – are explained in this notice

You can object or comment on the Settlements	see Question 10
You may also exclude yourself from the Settlements	see Question 10
You may go to a hearing and comment on the Settlements	see Question 14

- The Court in charge of this case still has to decide whether to approve each of the Settlements. The case against the Non-Settling Defendants (identified below) continues.

BASIC INFORMATION

1. Why did I get this notice?

You or your company may have directly purchased Cathode Ray Tubes (CRTs) or certain products containing those tubes between March 1, 1995 and November 25, 2007. For purposes of these Settlements, a direct purchaser is a person or business who bought a CRT, or a television or computer monitor containing a CRT directly from one or more of the Defendants, co-conspirators, affiliates, or subsidiaries themselves, as opposed to an intermediary (such as a retail store).

You have the right to know about the litigation and about your legal rights and options before the Court decides whether to approve the Settlements.

The notice explains the litigation, the two settlements, and your legal rights.

The Court in charge of the case is the United States District Court for the Northern District of California, and the case is called *In re Cathode Ray Tube (CRT) Antitrust Litigation*, MDL No. 1917. The people who sued are called Plaintiffs and the companies they sued are called Defendants.

2. Who are the Defendant companies?

The Defendant companies include: LG Electronics, Inc., LG Electronics U.S.A., Inc., LG Electronics Taiwan Taipei Co., Ltd, Koninklijke Philips Electronics N.V., Philips Electronics North America Corporation, Philips Electronics Industries (Taiwan), Ltd., Philips da Amazonia Industria Electronica Ltda., LP Displays International, Ltd. f/k/a LG.Philips Displays, Samsung Electronics Co., Ltd., Samsung Electronics America, Inc., Samsung SDI Co. 3. What is this lawsuit about?

The lawsuit alleges that Defendants and co-conspirators conspired to raise and fix the prices of CRTs and the CRTs contained in certain finished products for over ten years, resulting in overcharges to direct purchasers of those CRTs and certain finished products containing CRTs. The complaint describes how the Defendants and co-conspirators allegedly violated the U.S. antitrust laws by establishing a global cartel that set artificially high prices for, and restricted the supply of, CRTs and the televisions and monitors that contained them. Defendants deny Plaintiffs' allegations. The Court has not decided who is right.

4. Why are there Settlements but the litigation is continuing?

Only two of the Defendants have agreed to settle the lawsuit – CPT and Philips. The case is continuing against the remaining Non-Settling Defendants. Additional money may become available in the future as a result of a trial or future settlements, but there is no guarantee that this will happen.

5. What is a Cathode Ray Tube Product?

For the purposes of the Settlements, Cathode Ray Tube Products means Cathode Ray Tubes of any type (e.g. color display tubes, color picture tubes and monochrome display tubes) and finished products which contain Cathode Ray Tubes, such as Televisions and Computer Monitors.

6. What is a class action?

In a class action, one or more people, called class representatives, sue on behalf of people who have similar claims. All these people are members of the class, except for those who exclude themselves from the class.

If the Plaintiffs obtain money or benefits as a result of a trial or future settlement, you will be notified about those settlements, if any, at that time. Important information about the case will be posted on the website, www.CRTDirectPurchaserAntitrustSettlement.com as it becomes available. Please check the website to be kept informed about any future developments.

THE SETTLEMENT CLASS

7. How do I know if I'm part of the Settlement Class?

All persons and entities who, between March 1, 1995 and November 25, 2007, directly purchased a CRT Product in the United States from any Defendant or subsidiary or affiliate thereof, or any co-conspirator. ("Settlement Class").

8. What do the Settlements provide?

The settlement with CPT provides for payment of \$10,000,000 in cash, plus interest. The settlement also provides for extensive cooperation with Plaintiffs regarding the antitrust conspiracy alleged in the complaint. In addition, CPT’s sales remain in the case for the purpose of computing damages against the remaining non-settling Defendants. Finally, the settlement provides that \$500,000 of the \$10 million settlement fund, subject to Court approval, may be used to pay expenses incurred in the litigation for prosecution of the action on behalf of the Settlement Class against non-settling defendants.

The Settlement with Philips provides for payment of \$27,000,000 in cash; however, the \$27 million settlement amount is subject to reduction based on the number of exclusions from the Settlement Class after notice. The detailed reduction formula is set forth in the Philips settlement available on the Settlement Class website, www.CRTDirectPurchaserAntitrustSettlement.com. The settlement also provides for extensive cooperation with Plaintiffs regarding the antitrust conspiracy alleged in the complaint. In addition, Philips’ sales remain in the case for the purpose of computing damages against the remaining non-settling Defendants. Finally, the settlement provides that \$500,000 of the settlement fund, subject to Court approval, may be used to pay expenses incurred in the litigation for prosecution of the action on behalf of the purported class against non-settling defendants.

More details are in both Settlement Agreements, available at www.CRTDirectPurchaserAntitrustSettlement.com.

9. When can I get a payment?

No money will be distributed to any Settlement Class Member yet. The lawyers will pursue the lawsuit against the Non-Settling Defendants to see if any future settlements or judgments can be obtained in the case and then be distributed together, to reduce expenses.

Any future distribution of the Settlement Funds will be done on a *pro rata* basis. You will be notified in the future when and where to send a claim form. DO NOT SEND ANY CLAIMS NOW.

In the future, each Settlement Class member’s *pro rata* share of the Settlement Fund will be determined by computing each valid claimant’s total CRT Product purchases divided by the total valid CRT Product purchases claimed. This percentage is multiplied to the Net Settlement Fund (total settlements minus all costs, attorneys’ fees, and expenses) to determine each claimants *pro rata* share of the Settlement Fund. To determine your CRT Product purchases, CRT tubes (color display and color picture) are calculated at full value (100%) while CRT televisions are valued at 50% and CRT computer monitors are valued at 75%.

In summary, all valid claimants will share in the settlement funds on a *pro rata* basis determined by the CRT value of the product you purchased -tubes 100%, monitors 75% and televisions 50%.

10. What are my rights in the Settlement Class?

THE SETTLEMENT APPROVAL HEARING

12. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Fairness Hearing at **10:00 a.m. on September 20, 2012**, at JAMS, Two Embarcadero, Suite 1500, San Francisco, CA 94111. At this hearing, the Court will consider whether the Settlements are fair, reasonable and adequate. If there are objections or comments, the Court will consider them at that time. After the hearing, the Court will decide whether to approve the Settlements. We do not know how long these decisions will take.

13. Do I have to come to the hearing?

No. Interim Lead Counsel will answer any questions the Court may have, but you are welcome to come at your own expense. It also must include your name, address, telephone number, and signature. Your "Notice of Appearance" must be postmarked no later than **July 23, 2012**. You cannot speak at the Hearing if you previously asked to be excluded from the Settlement.

The Notice of Appearance must be sent to the addresses listed in Question 10.

THE LAWYERS REPRESENTING YOU

15. Do I have a lawyer in the case?

Yes. The Court has appointed the law firm of Saveri & Saveri, Inc. to represent you as "Interim Lead Counsel." You do not have to pay Interim Lead Counsel. If you want to be represented by your own lawyers, and have that lawyer appear in court for you in this case, you may hire one at your own expense.

16. How will the lawyers be paid?

Class Counsel are not asking for attorneys' fees at this time. At a future time, Interim Lead Counsel will ask the Court for attorneys' fees not to exceed one-third (33.3%) of this or any future Settlement Fund plus reimbursement of their costs and expenses, in accordance with the provisions of the Settlement Agreements. Interim Lead Counsel may also request that an amount be paid to each of the Class Representatives who helped the lawyers on behalf of the whole Class.
