**DECLARATION OF MARKHAM
SHERWOOD RE DISSEMINATION OF
TOSHIBA NOTICE TO CLASS MEMBERS
AND REQUESTS FOR EXCLUSION**

1 I, Markham Sherwood, declare as follows:

2 1. I am employed by Gilardi & Co., LLC ("Gilardi"), located at 3301 Kerner Blvd.,
3 San Rafael, California. Gilardi was hired by class counsel as the Settlement Administrator in this
4 matter. I am over 21 years of age and am not a party to this action. I have personal knowledge of
5 the facts set forth herein and, if called as a witness, could and would testify competently thereto.

6 2 Gilardi was formed in 1984 to assist attorneys with securities, antitrust, consumer
7 protection class actions, and other similar matters. Gilardi specializes in designing, developing,
8 analyzing, and implementing settlement administration plans that support due process. During
9 the past 28 years Gilardi has administered class notice and class settlements in over 3,500 class
10 actions, and has distributed more than \$20 billion in assets.

11 3. Between May 16 and May 29, 2012 Gilardi received from Plaintiffs' Counsel eight
12 files which included the names, and, where available, the addresses and electronic mail addresses
13 of all class members identified by Defendants in this matter. Gilardi formatted the list for mailing
14 purposes, removed duplicate records, removed known Defendant entities, researched company
15 names lacking addresses and added addresses where found, and processed the names and
16 addresses through the National Change of Address Database to update any addresses on file with
17 the United States Postal Service ("USPS").

18 4. On April 1, 2013, Gilardi caused the Toshiba Notice to be printed and mailed to
19 the 16,618 unique names and addresses on the class list. Gilardi delivered the Toshiba Notices to
20 the United States Post Offices located in Santa Rosa, California. A true and correct copy of the
21 Toshiba Notice is attached hereto as Exhibit A.

22 5. On April 1, 2013, Gilardi caused the Notice to be electronically distributed to the
23 872 unique electronic mail addresses on the class list.

24 6. On or before June 7, 2012, Gilardi established a case-dedicated website at
25 www.CRTDirectPurchaserAntitrustSettlement.com. There, potential class members can view and
26 print copies of the CPT Settlement Agreement, the Philips Settlement Agreement, the Notice, and
27 the Order Granting Settlement Class Certification and Preliminary Approval of Class Action
28

1 Settlements with CPT and Philips. Gilardi subsequently amended the landing page and added the
2 Panasonic Class Notice, the Panasonic Settlement Agreement, the Order Granting Class
3 Certification and Preliminary Approval of Class Action Settlement with Panasonic, the LG Class
4 Notice, the LG Settlement Agreement, the Order Granting Class Certification and Preliminary
5 Approval of Class Action Settlement with LG, the Toshiba Class Notice, the Toshiba Settlement
6 Agreement, and the Order Granting Class Certification and Preliminary Approval of Class Action
7 Settlement with Toshiba. Class members can also view Frequently Asked Questions and obtain
8 Gilardi's contact information.

9 7. On or before June 7, 2012, Gilardi activated a toll-free telephone number, 1-877-
10 224-3063, through which callers are able to connect with a live customer service representative
11 Monday through Friday from 7:00 a.m. to 5:00 p.m. Pacific Time. English and Spanish operators
12 are available.

13 8. Through its in-house advertising agency, Larkspur Design Group, Gilardi caused
14 the Summary Notice to be published in the national edition of the Wall Street Journal on April 5,
15 2013. A true and correct copy of the tear sheet provide by the Wall Street Journal is attached
16 hereto as Exhibit B.

17 9. The postmark deadline for class members to be excluded from the Toshiba
18 Settlement Class was May 16, 2013. To date, Gilardi has received 23 timely requests for
19 exclusion from the settlement. A report detailing the requests for exclusion received at Gilardi is
20 attached hereto as Exhibit C.

21 10. The postmark deadline for class members to object to the Toshiba Settlement was
22 May 16, 2013. To date, Gilardi has received zero (0) objections to the settlement.

23 I declare under penalty of perjury that the foregoing is true and correct, and that this
24 declaration was executed this 28th day of May, 2013 at San Rafael, California.

BASIC INFORMATION**1. Why did I get this notice?**

You or your company may have directly purchased Cathode Ray Tubes (CRTs) or certain products containing those tubes between March 1, 1995 and November 25, 2007. A direct purchaser is a person or business who bought a CRT, or a television or computer monitor containing a CRT directly from one or more of the Defendants, co-conspirators, affiliates, or subsidiaries themselves, as opposed to an intermediary (such as a retail store).

You have the right to know about the litigation and about your legal rights and options before the Court decides whether to approve the Settlement.

The notice explains the litigation, the settlement, and your legal rights.

The Court in charge of the case is the United States District Court for the Northern District of California, and the case is called *In re Cathode Ray Tube (CRT) Antitrust Litigation*, MDL No. 1917. The people who sued are called Plaintiffs and the companies they sued are called Defendants.

2. Who are the Defendant companies?

The Defendant companies include: LG Electronics, Inc., LG Electronics U.S.A., Inc., LG Electronics Taiwan Taipei Co., Ltd., Koninklijke Philips Electronics N.V., Philips Electronics North America Corporation, Philips Electronics Industries (Taiwan), Ltd., Philips da Amazonia Industria Electronica Ltda., LP Displays International, Ltd. f/k/a LG.Philips Displays, Samsung Electronics Co., Ltd., Samsung Electronics America, Inc., Samsung SDI Co. Ltd., Samsung SDI America, Inc., Samsung SDI Mexico S.A. de C.V., Samsung SDI Brasil Ltda., Shenzhen Samsung SDI Co. Ltd., Tianjin Samsung SDI Co. Ltd., Samsung SDI Malaysia Sdn. Bhd., Toshiba Corporation, Toshiba America Consumer Products, L.L.C., Toshiba America Information Systems, Inc., Toshiba America Electronic Components, Inc., Panasonic Corporation f/k/a Matsushita Electric Industrial, Ltd., Panasonic Corporation of North America, MT Picture Display Co., Ltd., Beijing-Matsushita Color CRT Company, Ltd. (BMCC), Hitachi, Ltd., Hitachi Displays, Ltd., Hitachi Electronic Devices (USA), Inc., Hitachi America, Ltd., Hitachi Asia, Ltd., Tatung Company of America, Inc., Chunghwa Picture Tubes Ltd., Chunghwa Picture Tubes (Malaysia) Sdn. Bhd., IRICO Group Corporation, IRICO Display Devices Co., Ltd., IRICO Group Electronics Co., Ltd., Thai CRT Company, Ltd., Daewoo Electronics Corporation f/k/a Daewoo Electronics Company, Ltd., Daewoo International Corporation, Irico Group Corporation, Irico Group Electronics Co., Ltd., and Irico Display Devices Co., Ltd.

3. What is this lawsuit about?

The lawsuit alleges that Defendants and co-conspirators conspired to raise and fix the prices of CRTs and the CRTs contained in certain finished products for over ten years, resulting in overcharges to direct purchasers of those CRTs and certain finished products containing CRTs. The complaint describes how the Defendants and co-conspirators allegedly violated the U.S. antitrust laws by establishing a global cartel that set artificially high prices for, and restricted the supply of, CRTs and the televisions and monitors that contained them. Defendants deny Plaintiffs' allegations. The Court has not decided who is right.

4. Why is there a Settlement but the litigation is continuing?

Only some of the Defendants have agreed to settle the lawsuit. This notice concerns a settlement with Toshiba Corporation, Toshiba America Information Systems, Inc., Toshiba America Consumer Products, L.L.C., and Toshiba America Electronic Components, Inc. Plaintiffs have also reached four previous settlements with 1) Chunghwa Picture Tubes Ltd., and Chunghwa Picture Tubes (Malaysia) Sdn. Bhd., 2) Koninklijke Philips Electronics N.V., Philips Electronics North America Corporation, Philips Electronics Industries (Taiwan), Ltd., and Philips da Amazonia Industria Electronica Ltda., 3) Panasonic Corporation (f/k/a Matsushita Electric Industrial, Ltd.), Panasonic Corporation of North America, and MT Picture Display Co., Ltd. (this settlement also releases Beijing-Matsushita Color CRT Company, Ltd.), and 4) LG Electronics, Inc., LG Electronics U.S.A., Inc., and LG Electronics Taiwan Taipei Co., Ltd. (this settlement also releases LP Displays International, Ltd. f/k/a LG.Philips Displays.) The first three settlements have been finally approved by the Court. The fourth with LG is currently awaiting final approval from the Court. The case is continuing against the remaining Non-Settling Defendants. Additional money may become available in the future as a result of a trial or future settlements, but there is no guarantee that this will happen.

5. What is a Cathode Ray Tube Product?

For the purposes of the Settlement, Cathode Ray Tube Products means Cathode Ray Tubes of any type (e.g. color display tubes, color picture tubes and monochrome display tubes) and finished products which contain Cathode Ray Tubes, such as Televisions and Computer Monitors.

6. What is a class action?

In a class action, one or more people, called class representatives, sue on behalf of people who have similar claims. All these people are members of the class, except for those who exclude themselves from the class.

If the Plaintiffs obtain money or benefits as a result of a trial or future settlement, you will be notified about those settlements, if any, at that time. Important information about the case will be posted on the website, www.CRTDirectPurchaserAntitrustSettlement.com as it becomes available. Please check the website to be kept informed about any future developments.

THE SETTLEMENT CLASS**7. How do I know if I'm part of the Settlement Class?**

The Settlement Class includes:

All persons and entities who, between March 1, 1995 and November 25, 2007, directly purchased a CRT Product in the United States from any Defendant or subsidiary or affiliate thereof, or any co-conspirator ("Settlement Class").

8. What does the Settlement provide?

This Settlement provides for a payment in the amount of \$13,500,000 in cash to the Settlement Class. The Settling Defendants also agreed to cooperate with the Plaintiffs in providing certain information about the allegations in the complaint. In addition, the Settling Defendants' sales remain in the case for the purpose of computing damages against the remaining non-settling Defendants.

More details are in the Settlement Agreement, available at www.CRTDirectPurchaserAntitrustSettlement.com.

9. When can I get a payment?

No money will be distributed to any Class Member yet. The lawyers will pursue the lawsuit against the Non-Settling Defendants to see if any future settlements or judgments can be obtained in the case and then be distributed together, to reduce expenses.

Any future distribution of the Settlement Funds will be done on a *pro rata* basis. You will be notified in the future when and where to send a claim form. **DO NOT SEND ANY CLAIMS NOW.**

In the future, each class member's *pro rata* share of the Settlement Fund will be determined by computing each valid claimant's total CRT Product purchases divided by the total valid CRT Product purchases claimed. This percentage is multiplied to the Net Settlement Fund (total settlements minus all costs, attorneys' fees, and expenses) to determine each claimant's *pro rata* share of the Settlement Fund. To determine your CRT Product purchases, CRT tubes (CPT's and CDT's) are calculated at full value while CRT televisions are valued at 50% and CRT computer monitors are valued at 75%.

In summary, all valid claimants will share in the settlement funds on a *pro rata* basis determined by the CRT value of the product you purchased - tubes 100%, monitors 75% and televisions 50%.

10. What are my rights with regard to the Settlement Class?

Remain in the Settlement Class: If you wish to remain a member of the Settlement Class you do not need to take any action at this time.

Get out of the Settlement Class: If you wish to keep any of your rights to sue the Settling Defendants about the claims in this case, you must exclude yourself from the Settlement Class. You will not get any money from the settlement if you exclude yourself from the Settlement Class.

To exclude yourself from the Settlement Class, you must send a letter that includes the following:

- Your name, address and telephone number;
- A statement saying that you want to be excluded from *In re Cathode Ray Tube (CRT) Antitrust Litigation*, MDL No. 1917, Toshiba Settlement; and
- Your signature.

You must mail your exclusion request, postmarked no later than **May 16, 2013**, to:

CRT Claims Administrator

The written response needs to include your name, address, telephone number, the case name and number (*In re Cathode Ray Tube (CRT) Antitrust Litigation*, MDL No. 1917), a brief explanation of your reasons for objection, and your signature. The response must be postmarked no later than **May 16, 2013** and mailed to:

11. What am I giving up to stay in the Settlement Class?

Unless you exclude yourself from the Settlement Class, you can't sue the Settling Defendants (or any of the related entities that are released in the Settlement Agreement), or be part of any other lawsuit against these Settling Defendants about the legal issues in this case. It also means that all of the decisions by the Court will bind you. The "Release of Claims" includes any causes of actions asserted or that could have been asserted in the lawsuit, as described more fully in the Settlement Agreement. The Settlement Agreement is available at www.CRTDirectPurchaserAntitrustSettlement.com.

THE SETTLEMENT APPROVAL HEARING

12. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Fairness Hearing at **10 a.m. on July 22, 2013**, at JAMS, Two Embarcadero, Suite 1500, San Francisco, CA 94111. The hearing may be moved to a different date or time without additional notice, so it is a good idea to check the class website for information. At this hearing, the Court will consider whether the Settlement is fair, reasonable and adequate. If there are objections or comments, the Court will consider them at that time. After the hearing, the Court will decide whether to approve the Settlement. We do not know how long these decisions will take.

13. Do I have to come to the hearing?

No. Interim Lead Counsel will answer any questions the Court may have, but you are welcome to come at your own expense. If you send an objection or comment, you don't have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay another lawyer to attend, but it's not required.

14. May I speak at the hearing?

If you want your own lawyer instead of Interim Lead Counsel to speak at the Final Approval Hearing, you must give the Court a paper that is called a "Notice of Appearance." The Notice of Appearance should include the name and number of the lawsuit (*In re Cathode Ray Tube (CRT) Antitrust Litigation*, MDL No. 1917), and state that you wish to enter an appearance at the Fairness Hearing. It also must include your name, address, telephone number, and signature. Your "Notice of Appearance" must be postmarked no later than **May 16, 2013**. You cannot speak at the Hearing if you previously asked to be excluded from the Settlement.

The Notice of Appearance must be sent to the addresses listed in Question 10.

THE LAWYERS REPRESENTING YOU

15. Do I have a lawyer in the case?

Yes. The Court has appointed the law firm of Saveri & Saveri, Inc. to represent you as "Interim Lead Counsel." You do not have to pay Interim Lead Counsel. If you want to be represented by your own lawyer, and have that lawyer appear in court for you in this case, you may hire one at your own expense.

16. How will the lawyers be paid?

Class Counsel are not asking for attorneys' fees at this time. At a future time, Interim Lead Counsel will ask the Court for attorneys' fees not to exceed one-third (33.3%) of this or any future Settlement Fund plus reimbursement of their costs and expenses, in accordance with the provisions of the Settlement Agreement. Interim Lead Counsel may also request that an amount be paid to each of the Class Representatives who helped the lawyers on behalf of the whole Class.

GETTING MORE INFORMATION

T-Mobile Slows Defections, Pushes Merger

By THOMAS GRITTA

T-Mobile USA reported it slowed subscriber defections in the first quarter, a positive development as the company's bid to merge with MetroPCS Communications Inc. has been thrown into doubt.

The carrier has lost lucrative contract customers to bigger rivals AT&T Inc. and Verizon Wireless—last year alone it lost more than two million such customers.

But in the first quarter, T-Mobile said it lost a net 199,000 contract customers, compared with net losses of 515,000 for the previous quarter and 510,000 for the first quarter of 2012.

The company also said the percentage of customers canceling their contracts, known as churn, dropped to 1.9% in the quarter from 2.5% in the previous three months. It said the churn rate was the lowest since the second quarter of 2008.

Wall Street analysts agreed that the results were much

stronger than expected but had a mixed reading on the overall importance of the data.

Several analysts warned that the numbers were likely helped by customers waiting for Apple Inc.'s iPhone to launch at the carrier, which will happen next week.

Nomura Securities analyst Michael McCormack noted that wireless competition in the quarter was likely slow and may have also tempered any customer movement. He believes "it will be difficult for T-Mobile to show postpaid subscriber growth in a maturing industry."

The report comes as T-Mobile faces stiff opposition from major MetroPCS investors for combination with the pay-as-you-go wireless carrier. T-Mobile agreed last year to merge with MetroPCS, creating a publicly traded company of which T-Mobile parent Deutsche Telekom AG would own 74%. Shareholders will receive about \$4 a share in cash and the remaining 26% in the newly merged company.

A shareholder vote is set for next week.

Two major MetroPCS shareholders have been vocal about opposing the deal—P. Schoenfeld Asset Management and Paulson & Co.—arguing for better terms or remaining independent.

The funds own more than 12%

of MetroPCS shares and say the resulting combination will leave investors with stock in an undercapitalized company and a high interest rate on excessive debt.

P. Schoenfeld Asset Management held a conference call for investors Thursday, reiterating its arguments against the deal and pushing for better terms for

MetroPCS shareholders. The first-quarter performance figures weren't addressed although officials from the fund contended that MetroPCS has outperformed T-Mobile.

T-Mobile has defended the terms of the deal and expressed confidence that the transaction will succeed in getting share-

holder approval.

Speculation has swirled that Deutsche Telekom would sweeten the terms of the deal since the influential advisory firm Institutional Shareholder Services Inc. said last week that it considered the terms unfavorable for shareholders.

In an interview, Deutsche Telekom spokesman Philipp Kornstadt denied the company is considering altering the deal's structure but noted that a final decision hadn't yet been made.

The complexity of the current terms, involving a stake in a private company and substantial debt to Deutsche Telekom, could leave several options for an altered deal or potentially an entirely new structure.

The prospect of a failed vote leaves Deutsche Telekom with another unsuccessful deal just 15 months after its effort to sell T-Mobile USA to AT&T for \$39 billion fell apart under regulatory pressure.

What Is Facebook 'Home'?

Facebook's new Home software is an overhaul of Google Inc.'s Android mobile operating system. Here are answers to questions about Home:

What Is Facebook Home?

The new software is more than a Facebook app—think of it as a skin built around the Android platform. Home replaces the smartphone's typical cover screen and instead populates Facebook content, such as photos, messages and status updates. Home still provides access to apps on the phone, but the experience is centered around Facebook.

How Is Home different from the Android interface?

It boils down to two main features: "Cover Feed and "Chat Heads."

Cover Feed is the screen that appears when a user turns on the phone. Rather than simply showing a clock and a background photo, the Cover Feed displays photos and their captions from Facebook friends. Messages and status updates float on top. Users can swipe through the photos, double tap to "like" them or add comments.

Chat Heads is what Face-

book's new Home software is an overhaul of Google Inc.'s Android mobile operating system. Here are answers to questions about Home:

Home will be available to download in Google's app store on April 12.

a simpler messaging experience without having to switch back and forth between apps. Home also comes with a launch menu populated with a users' favorite apps and basic Android apps.

Is this the "Facebook Phone?"

Yes and no. Facebook Home is essentially a retooling of the entire smartphone experience on Android devices. In that sense, this is Facebook's version of a "phone"—but at the same time, Facebook hasn't built actual hardware.

example, developers can completely replace the digital keyboard on the phone.

How do I get Facebook Home?

Home will be available for download on April 12 in the Google Play store. However, it will initially only be available for certain Android phones: the HTC One X, HTC One X+ and forthcoming HTC One, as well as Samsung Electronics Co.'s Galaxy S III, Galaxy Note II and the forthcoming Galaxy S 4. HTC is also launching a new phone, the HTC First, which will sell for \$99.99 at AT&T Inc. stores starting April 12.

Facebook said Home will eventually support more Android devices, including tablets. A slide at Thursday's event showed additional handset makers and partners including Sony Corp., Qualcomm Inc., Huawei Technologies Inc. and Lenovo Group Ltd.

Is Home Available for the iPhone?

No. Facebook said it is focusing on Android, characterizing Apple Inc.'s procedures as more restrictive.
