12 In re: CATHODE RAY TUBE (CRT)
ANTITRUST LITIGATION

Master File No. 07-CV-5944-JST

MDL No. 1917

14 This Document Relates to:

15 *Crago, d/b/a Dash Computers, Inc., et al.*
16 *v. Mitsubishi Electric Corporation, et al.,*
Case No. 14-CV-2058-JST.

**DECLARATION OF RACHEL
CHRISTMAN RE CLASS MEMBERS'
RESPONSE TO NOTICE**

Date: June 8, 2017
Time: 2:00 p.m.
Judge: Honorable Jon S. Tigar
Courtroom: 9

1 I, Rachel Christman, declare as follows:

2 1. I am employed by Gilardi & Co., LLC (“Gilardi”), located at 3301 Kerner Blvd.,
3 San Rafael, California. Gilardi was hired by class counsel as the Settlement Administrator in this
4 matter. I am over 21 years of age and am not a party to this action. Except as otherwise stated, I
5 have personal knowledge of the facts set forth herein and, if called as a witness, could and would
6 testify competently thereto.

7 2. The purpose of this declaration is to update the Court on class members’ response
8 to the class notice described in my declaration filed March 6, 2017 (ECF No. 5126).

9 3. As of the date of this declaration, 5,185 of the 19,609 class notices sent via first-
10 class mail were returned to Gilardi by the USPS due to undeliverable addresses. Gilardi has
11 attempted to locate updated addresses for the 5,128 of these records which have addresses in the
12 United States by processing the names and addresses through the National Change of Address
13 Database. Gilardi located updated addresses for and re-mailed 170 of these records.

14 4. I stated in my March 6, 2017 declaration that the notice was emailed to 3,626
15 electronic mail addresses on the updated class list. However, after further review of the final
16 reports from Gilardi’s email vendor, I realized that this count must be corrected. The original
17 email list provided contained 3,626 electronic mail addresses. From this, 1,449 duplicate
18 addresses were removed, leaving 2,177 unique electronic mail addresses. From this, an additional
19 834 electronic mail addresses were removed because the address was invalid or improperly
20 formatted, or the recipient had opted out of future electronic mailings. Therefore, there were a
21 total of 1,343 unique electronic mail addresses to which notice was sent. Of these, 66 bounced
22 back. Where a class member appeared on the updated class list with both a valid mailing and an
23 electronic mail address, the notice was sent both via USPS and electronic mail.

24 5. I am not aware of any objections to Plaintiffs’ settlement with the Mitsubishi
25 Electric Defendants.

26 6. As of the date of this declaration, Gilardi has received at least 311 new, amended,
27 or supplemental claims. In total, over 3,000 claims have been received since the September 11,
